## **Vet C.E. Program**

*Establishing Bond to Enhance Knowledge*

*Dear Sir,*

*Welcome to the "Vet Continuous Education Program".*

*Vet CE Program has been initiated by Cattle Remedies India Limited with an aim to develop a strong bond with our prime veterinarians through sharing of knowledge, useful for the upliftment of livestock health and productivity.*

*The Vet CE Program will initiate various technical activities like technical bulletin, technical mailers, quiz etc. During the course of time, technical meets and seminars will also be organized under this program.*

*Being a valuable supporter, you have been chosen as an important member of this program. Hereafter, you would be involved in all the*

*technical activities initiated under this program. Your contribution to make this program more useful and relevant will be highly appreciated.*

*We are sure that Vet CE Program will turn to be a wonderful platform for sharing of knowledge, views and information. The key learning from the program would assist in improving our products and services to the customers all across the globe. This endeavor will thus go a long way in benefiting the dairy owners to uplift the farm productivity and profitability.*

*We solicit your kind support for the success of Vet CE Program.*

*Regards,*

*For Technical Cell
